Subject: Regarding cancellation of ICON Facilities Management Solutions Pvt. Ltd. As the Project Implementation Agency for the ISKCON Jharkhand- New Vrindavana Project.

Dear Sir,

I am writing this letter to inform you that we appointed you as the Project Implementation Agency for our project entitled ISKCON Jharkhand- New Vrindavana Project, consisting of a Goshala, a University and a Radha Krishna Temple in state of Jharkhand vide letter dated 19th November 2019. One of the essential conditions to set up this project was to complete the land acquisition process as well as the land transfer and land possession certificate in the name of ISKCON Jharkhand by 30th December 2019.

It is pertinent to mention that we have not received land possession certificate till date and this is a sufficient and valid reason for us to not to move ahead with this project. Kindly refrain from bringing any investor while connecting the project to ISKCON.

Please do not use ISKCON name in any of your project. Some of documents being circulated in public is bringing bad name to ISKCON. I thus request you to ensure no such circulation happens in the future. Also remove any videos/documents connecting to ISKCON to any of your projects.

Hence forward ISKCON has decided to completely disassociate from this project in any manner. Hence your role as the project implementation agency becomes null and void.

We seek your complete cooperation in this regard failing which we may have to seek legal route.

Thank you!

Yours Faithfully,

MMDas
